VEGETABLE SEEDS.

SEEDS BY MAIL.—All seeds, in packages and by the ounce, will be sent by mail at Catalogue prices, postage prepaid, but seeds by the pound require an extra payment of eight cents per pound.—Corn, Peas and Beans require an extra payment of fifteen cents per quart to prepay postage.

No charge for baskets, boxes, or packing on any order exceeding \$1.00 in value. Bags charged at cost price, and credited on account if returned in good condition within thirty days after date of purchase.

All seeds may be put up in five-cent papers, excepting Corn, Peas and Beans, and those varieties specially priced.

Any customer enclosing \$1.00 may select Vegetable Seeds in papers only to the amount of \$1.25, which will be sent free by mail.

Flowering
Plants*

Will be Published about
September 15th.

We grow a large proportion of the flowers we sell, and our principal aim is to secure freshness and quality.

We try to have a steady supply of the popular standard varieties, and also furnish our patrons with many of the unusual flowers that may be in season, such as Acacias, Anemones, Camellias, Cypripediums and other Orchids, Irises, fancy Pansies, Poinsettias, Ranunculus, Stephanotis, Swainsonia, etc.

Special efforts have been made to have a daily supply of strictly fresh Roses, Carnations, Violets, Heliotrope and Mignonette. In the matter of bulbous flowers we anticipate a very large stock,

Smilax, Asparagus, Ferns, Ivy, Geranium and Galax Leaves.

Basket and design work executed at short notice, with taste and original conception of design.
